

## Final Report Guidelines

### Final Report

The final report submitted to the AMI Foundation should include, but not limited to, the following:

- Executive Summary Sheet – See below for further detail
- Technical Abstract – See below for further detail
- Goals/Objectives
- Material and Methods
- Results
- Conclusions
- Recommendations for Future Research
- Presentations and Publications – See below for further detail

### Executive Summary Sheet

This Executive Summary Sheet should not exceed 1 page and be written in language appropriate for a press release. Executive Summary Sheet should include the following:

- Project Title:**
- Principal Investigators:**
- Research Institution:**
- Submittal Date of Final Report to AMI:**

**Objectives:** *Describe goals/objectives of the study*

**Conclusions:** *Describe the study's conclusions and why/how they were made.*

**Deliverable:** *Describe the potential impact, positive and negative, of the research on the meat industry.*

### Technical Abstract

The technical abstract should be concise in summarizing the objectives, methodology, results and conclusions of the research performed.

### Presentations and Publications

A listing of any manuscripts or presentations that have been (or will be) written based on the results of this AMI Foundation funded research.
